Here are the forms necessary for the cremation of your loved one:

Information Sheet

Authorization to Cremate

Authorization to Embalm

The Information Sheet is used to obtain information for the death certificate and any obituary that may be written, so it is very important to complete as much information as you can.

The Authorization for Cremation and Disposition form gives us the authorization to cremate. On **page 1**, close to the bottom of the page, you will see the word **PACEMAKERS**. Please initial one of the choices that he/she **DOES OR DOES NOT** have a pacemaker. On **page 2**, at the bottom, there are signature lines. The next of kin is required to sign and give their relationship. Date the form **ONLY** if death has occurred.. Also, if possible, have someone witness they signature(s).

The Authorization to Embalm requires the signature of the next of kin to give us permission not to embalm. Please sign this form at the bottom where it says you **refuse** to give permission to embalm. Date the form **ONLY** if death has occurred.

Please email or fax these forms back to us. Our fax number is 903-356-5095.
